Simply Stunning

The minimalist design of Rinnai Crystal Series ensures ease of operation; one beautiful knob is all you need to turn to change the climate of your shower from a lukewarm drizzle to a steamy downpour.. It is encased in a stunningly-designed sleek chassis and decked up in an unparalleled Diamond Black finishing. Also available in equally stunning Liquid Silver and Space Grey.

The Crystal Series

At one glance, Rinnai Crystal Series looks like it's merely named after its dazzling transparent knob. Looking beyond its aesthetic, the Crystal Series is actually built with precision and order, very much like the structure of a crystal. It is enchanting and elegant. It has a wide selection of colours; even better, it is beautiful in all colours. Men and women alike adore crystals. Are you ready to fall in love with Rinnai Crystal Series?

Muted Operation.

Rinnai Crystal Series Water Heater takes showers up a notch with its distinguished engineering and elegant design to deliver sheer enjoyment in every shower. The DC Inverter Pump is unbelievably silent for its powerful performance, living up to its beautiful yet strong name.

DC Inverter Pump

- Silent operation
- Cost effective and ecological
 - Save up to 50% energy compared to AC Pump
- Advanced brushless DC motor technology
- Maintenance-free, no carbon brush
- Pump speed control, suitable for high and low water pressure
 - Longer life-span

Features

1-Knob Control

Dual Over Temperature Safety Cut-Off

- Auto reset if water temperature exceeds set limit.
- Avoids overheating and scalding.
Primary cut off 55°C Secondary cut off 85°C

IP25 Splash-Proof Protection

- ABS plastic waterproof casing, IP25 Safety Standard compliant.
- Prevents water and dust.

Auto Flow Sensor Switch

- Shuts off heater if water flow is too low.
- Avoids dry burn.

Slim Body
